

FIND NEMO

RULES: IDPA Rules

Created By: RicoCastro

START POSITION:

TWO SHOOTERS with rifle loaded to capacity start at 60 yard line from berm, low ready

SCENARIO:

Scenario is two camouflaged targets hidden in the berm - first shooter to hit their target wins in a 'round robin' style match

PROCEDURE:

Upon start signal, shooters get behind barricade and start glassing their own side of the range - shooter on the right glassing right side of berm, shooter on the left glassing the left side of the berm. When they see their target, they can fire. First shooter to hit their target will go on to next round in a 'round robin' style match. Losing side will also match up for a second round. Two losses will cause shooter to drop from stage.
