

SNIPER-SPOTTER TEAMS - 1000 YARD PAD

RULES: IDPA Rules

Created By: RicoCastro

START POSITION:

Group split into teams of two - sniper and spotter teams - optics provided. NOTE: Shooter can provide their own optics but they MUST be dismounted from any weapons for safety reasons. Camouflage required - can bring your own but will also be provided if necessary

SCENARIO:

This will take place on the 1,000 yard pad stage in a scenario where a team of observers is reporting information to their teams on the ground – specifically the Rifle Range Team. We are simulating perhaps team drones hovering over a target area or possible observers placed on different mountain locations overlooking a large area. For safety reasons we must do this all in one place on the 1,000 yard pad.

PROCEDURE:

This groups only mission is to observe and report anything they see happening on the rifle range.

SCORING: Unlimited

ROUND COUNT:

TARGETS: 10

DISTANCE: 200-1,000 YARDS

SCORED HITS:

PENALTIES: Procedural
