

TAC RANGE - SUPPLY WAREHOUSE

RULES: IDPA Rules

Created By: RicoCastro

START POSITION:

Shooters will stage with NO WEAPONS in the picnic area. Ensure you have all kit, including at least one radio per team, medical gear, and anything else normally carried in the field on neighborhood patrol in a grid down situation

SCENARIO:

Team is returning from patrol when they hear a radio message about their neighborhood food and ammunition storage building which is guarded by four other members of their neighborhood.

PROCEDURE:

Team will respond and take action as appropriate For safety reasons we have to respond to this scenario without any weapons, even though that is not technically realistic, we understand that and want to emphasize safety above all.
